My Career has touched international standards purely because of RVCE.

Mr.G.Saravanan
Mech (2013 -2017)
Mechatronics, Bahrain

When I first entered RVCE I was anxious about my future. Over the four years, so many doors were opened for our personal and academic development that I became confident. The college aims at enhancing our knowledge, skills and abilities. It, in fact, didn't leave the attitude part behind as well. These years at RVCE are the best years concerning learning, experience and gaining exposure to fields relevant to my discipline, all due to my faculty member. At last, thanks to the college and Training & Placement Department for their continuous efforts in getting me placed in top IT Company. This endeavor will lead our college to incredible heights.

Ms.R.Sowmiya
CSE (2014-18)

I am very happy to say that I am one of the student in RVCE.I am studying second year from civil department,I would like to share that I get very friendly environment in this institution.I can able to clear my doubts many times to my staffs,since they are very kind to clear all my doubts.

Mr.V.Arockia David
III Civil

RVCE educate students in a very creative way and Encourage them to think out of the box. I found that, method of teaching is different. The teachers and staff are really helpful. They Make sure that the student should be comfortable and Progress well in their life . However, the college not only helps me to excel in the academic field, but also teaches me a lot about Different culture and how to appreciate them.

Mr.G.Lavanya
EEE (2015-19)
